

Welcome

Dear guests

It is very important to us that you feel comfortable with us and that you can enjoy «safe» holidays in a cozy atmosphere.

This is how we opted for the «clean and safe» label

The specific measures were developed by the IG Parahotellerie Switzerland to protect our guests.

We thank you very much for trusting cooperation and respect for the relevant protection rules.

- ✓ Only travel if you are **HEALTHY**.
- ✓ For your and our safety, we do not give hugs, shake hands, etc.
- ✓ The information, books and games previously published in each apartment have been removed. All important information can be found on the information board in the stairwell and the links on our homepage.
- ✓ Please also adhere to the requirements of the Federal Office of Public Health (BAG) during your vacation.
- ✓ If you experience symptoms during or to 14 days after your holiday, please contact us immediately and avoid contact with other people.
